*Financial support is capped at \$88,600 per life insured regardless of the number of insurance policies with the same life insured. The amount of \$88,600 is based on payments being made in all 3 categories under the financial support scheme for policyholders, with the maximum inpatient hospitalisation period of 60 days assumed.

+This financial support campaign will end: (i) 30 days after the day whereby the Singapore government announces that the Novel Coronavirus ("COVID-19") outbreak has been reduced to DORSCON level - Green; (ii) on 31 August 2020 or (iii) when the total amount of financial support payments disbursed under our financial support schemes for customers and employees reaches \$620,000, whichever is earliest.

^No financial support shall be payable under this Scheme for policies issued on or after 10 February 2020 where, (i) the life insured is diagnosed with COVID-19 within 14 days after the policy issuance date or the policy effective date (whichever is the later); or (ii) the life insured shows signs and/or symptoms of any respiratory illnesses or diseases before applying for the policy.
